Conference Report

BIT's 3rd World Congress of Bioenergy (WCBE-2013), successfully held in Nanjing Jinling Convention Center Nanjing International Expo Center on April 25-27, 2013. Totally, there were nearly 400 participants from more than 25 countries and areas have attended the WCBE-2013. With the great efforts and contributions from all the participants, we believe that the next conference WCBE-2014 will be much better and more successful than WCBE-2013.
